There is a growing awareness of the need to develop services to meet the needs of older people, and the need to ensure that services are accessible to older people. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to older people and the need to develop services to meet their needs. The strategy also sets out the need to ensure that services are accessible to older people, and that older people are able to participate in decisions about their care and services.

CALUMET BOYS' TENNIS FALL 2009

Season Recap

The 2009 Calumet Boys' Tennis Team enjoyed a very successful and productive season. We finished with 10 wins against 7 losses. Ten wins is the sixth most wins in boys' tennis history at CHS. The Warrior Netters were 3rd in the Greater South Shore Conference and 3rd in the Conference Tournament. Six of our 17 matches were decided by a 3 to 2 score. We won 3 and lost 3 of these matches. We were only shut out one time (by Highland) and won by a shutout 3 times.

Each year we set goals. One goal that we strive for is to have a winning record. Secondly, we try for some individual success. This season we achieved both goals. Junior co-captain Jeff Stooksbury, at his #1 singles position, put together one of the best individual seasons in Warrior Netter history as he won 16 regular season matches, went undefeated in GISSC play, and advanced to the Regional Level of the IHSAA individual singles tournament. As the season went on, Jeff became affectionately known as "The Giant Killer" as he many times defeated opponents of much taller stature. Jeff's hard work and steady improvement has made him one of the best and most respected players in the Calumet Region. His steady ground strokes, impeccable sportsmanship, and good nature have made him the fine tennis player that he is today.

Jeff was not the only player to achieve success for Calumet. Senior co-captain Jeremy Weisman and Senior Adam McBee had a winning record at #1 doubles and they finished 3rd in the conference tournament. Senior Mike McIntosh played both singles and doubles and won some big matches for the Warrior Netters. Senior Mike Matuszczak played singles most of the season and had some big wins that were the difference in more than one match. Last but not least, Junior Billy Ketchum and Sophomore Jarrett Taborski played very well together at the end of the season. They finished 2nd at #2 doubles in the conference tournament with very good chemistry. Both will return next season and we're hoping for big things from these two fine young men. Sophomore Phil Sopiars and Junior Omar Salazar also earned Varsity letters as they filled in quite admirably when needed.

The Junior Varsity was lead by the Doran brothers, Allen and Steven, and Freshman sensations Jimmy Weisman, Andy Magiera, and Bruce Borgo.

Although we graduate 5 Seniors, with Stooksbury back, some hard work in the Summer, the further development of our young guys, and maybe a recruit or two, the Calumet Boys' Tennis Team should be very competitive next season.

The Warriors opened this season in just Gevli, down 12-0 early to 7th quarter and the Patriots looked bleak. Then, the saving season came to the "battleground," in the form of a lightning bolt. A three-minute stoppage provided the time to have a season on the brink. The Patriots came roaring out of the "warfare" and took it to the "Glads," winning 18-17 in double OT.

The team attacked the Clark Pioneers next, going up 2-0 at half. The pioneers brought up reinforcements and passed a 1912 lead just before the end of the game. A marvellous kick off return by Eric Tarrnough brought the Warriors to the stage of victory, only to "fall short and

Entering the conference on a less was not good

However, the resilience of old Warner's was put on display during the performance of a very strong defense orchestrated by former Warner's Mike and Andy Zammar. The 11's laid their straight teeth out and gave up 10 total points and the 10's scored 12 points. The fourth half broke 6-10 to HNT on homecoming in golden 12. Before the conf. show down with Wichita 13 minutes into the zone with the Bears the 10's didn't look too much better up to 6-10. Then the game was scattered.

The season ended with a high loss to an American team who thought they would win easily.

We have lost some wonderful young men, who have given much to the "Warrior" lore over the last five years: Jeffrey Burge, Norman Fowler, Justin Perez, Stephen Pogue, Derrick Pittman, and Shavo Kane.

It was another great year for the Lady Warriors Basketball Team. Finishing with an overall won-loss record of 14-8, the Lady Hoopsters compiled a more-than-impressive 7-0 record in the GSSC, en route to winning both the GSSC Title and the Conference Tournament. Led by senior Juaneice Jackson's astronomical 19.7 ppg, 2.9 assists per game, and 4.2 steals per game along with Alyssa Nieto's 5.3 boards per game, the Lady Warriors were truly a force to be reckoned with. Although the squad will be losing several key seniors (including standouts Mercedes Carey, Latiana Harris and LaShane Walker - and, of course, Juaneice) the future remains bright.

The 2009-2010 season was one of youthful mistakes and growing pains [for the Calumet Warrior Basketball team]. The 6-15 Warriors rode the roller coaster with lots of effort and energy along the way. Highlights of the season: a 72-68 win over Hammond Gavit, a 74-72 overtime win against Clarksville, a 54-53 thriller against River Forest. Team captains Chuck Carter and Jon Phelps did a great job of leading this squad during a challenging season. Seniors Denzel Glasper, Kevin Billingsley, Jon Phelps, and Everett Strong were greatly missed next season. - Coach Nelson

Wrestling

The CHS wrestlers went 22-1, to record their best dual meet record in over a decade. They placed 4th at the Lake Central Tourney with 2 Champions. A 4-1 mark at their own Chris Traicoff Memorial was good for 9th place. At the Caston Comet Super Dual, the Tribe finished 9-0, crowning 6 Champions en route to the team title. Four medalists paced a 16th place finish at the Mishawaka Invitational. The Warriors finished 3rd at the Lake County Championship with 2 Champions among their 11 placewinners. The grapplers also claimed the GSSC Championship for the 3rd consecutive season...with 10 Champions. The Runner-Up finish to Merrillville was the program's best Sectional performance since the tournament was expanded and realigned in 2003. Three Champs and 11 qualifiers advanced to the Regional...2 Champs and 6 to the Semistate...and Mike Clark ended the Tribe's 5 year drought by advancing to the State Finals. - Coach Wadkins

The Varsity baseball season this season was pretty tough on us. We just got the J.V. (team) going again, so we were mixing younger players with the vets, and some of them were just not ready. So we basically were trying to rebuild our program for next season, but we still gave it our all and Mike Greer had 90+ plus strike outs.

Softball Team - Striking Out for Greatness!!!

The Calumet Warriors Softball Team had one of its best seasons to date. They compiled an 18-11 record and reached the sectional finals for the second time in school history. Pitcher Kaitlyn Magiera pitched every inning during the season and tallied 200 strikeouts. Misty Alvarado ended the season in the top 10 in the area in batting average, RBI, and hits. Kaitlyn and Misty were named co-MVPs at the June awards night. Many other players helped contribute to this great season and helped to make the school very proud. - Coach Vondrak

Mercedes Carey

The Indoor season opened at Lowell, where Mercedes Carey let it be known this season was going to be special. Mercedes was outstanding in qualifying for the NSR. She did well at Purdue but did not meet her expectations.

We then visited Hobart with the boys and returned to BNI with B/G. after a hiatus. LC also hosted our Boys. We did a nice job of getting ready for the outdoor season.

The Outdoor season began at Calumet with a Tri against North Newton and River Forest.

Every meet produced "new" and personal best/records (pb/pr). The Highland Invite, CAL Invite, Munster Invite (held at Lowell), and the GSSC championship held at Lake Station produced many memorable moments.

At the GSSC championships the only boy to make 1st team was Stephan Piggoe, as he attained one of his pre-season goals

The "Lady Warriors Tracksters" produced a "Back-to-Back" championship! This was accomplished by so many rising to the occasion producing the needed points.

The Girl's team was once again lead by the "heart and soul" of the team "The Smile," "The Personality," the NHS member and University of Dayton bound phenom and the best ever in the modern era of CHS track, Senior, Mercedes Carey. She won the 100, 200, 400 and "anchored" the team. Clark, Degard, Smith, Hillard, and many others helped in this marvelous effort.

Sectional brought decisions as Mercedes won the 100, & 400, finishing second in the 200. She was scratched from the 400 in order to concentrate on her favorite events.

The regional brought qualifying a third time in the 100, and a second time in the 200. MC finished 18th, 10th and 20th in the 100 at state. Injured in the 100 as a junior she could not finish the 200; as a senior finished 24th. She was also submitted for the State Mental Attitude Award! Thanks for all the Great Memories!

The season ended with the awards night. This team had a "Ton" of medals and awards from the meets and, especially from Conference! My "Ferrari," and our favorite, Mercedes Carey, will always be a "WARRIOR!" - Mr. Zimmer

Well, here it is: another yearbook from the Chieftain Staff. This is my fourth year as yearbook adviser and, I must say, this is by far the best we have produced - something I find ironic considering that it was also the least painless to make.

I'd love to take all the credit (and often do) but that would be unjust. I had a great staff working with me (dedicated even though they were paid only in Super Donuts) including Seniors Jenea Sutton, Abby Eddlemon, Ricky "The Human Torch" Orzel, Jeremy "Warlock" Worstell, and Corrinne "Gimpy McGee" Keller, and Junior (and future Super Senior) Anna Roessing. Last - and also least (since he is a freshman) - I had help from Jarrell Springfield, who, whether he likes it or not, is the future of the Yearbook. Thanks guys - I couldn't (and wouldn't) have done it without you.

I'd also be lost without the help of the coaches who take their time to write me the personalized synopses that make each of the sports pages so in-depth. Though there is always much ballyhooing and complaining (Mr. Zimmer, I'm looking in your direction), they usually come through in a big way, and, for this, I am most indebted, and I owe you one. And for those who didn't come through - hang your head in shame. :)

Next, this yearbook would be nothing without the help of Jeremy (and now Jimmy) Weisman's mom, Nancy Grzych, whose AP worthy pics grace nearly every page of this publication. She works tirelessly (and selflessly) to provide us with what is, essentially, the "meat" of the yearbook (or, in my case as a vegetarian, the "soy"). So thank you, Nancy, and I'm glad you'll be around for at least another three years. Any more after Jimmy? (If not, would you perhaps consider adoption.)

And, finally, thank you to all who purchased this, whether you went out of your way to do so or whether you were forced. It makes no difference to me. Thank you for keeping us always financially solvent, and precluding any need for fund raising (something for which I am not paid nearly enough).

And, as I say every year, I am certainly not paid enough to hear complaints. This is a student-centered publication, so all must accept that types are a way of life. That being said, however, I think you'll enjoy this latest installment of the Chieftain, warts and all. I think it's a worthwhile piece of work. (Any legit complaints, it should be noted, may be addressed to Mr. Bowls in room 208.) :)

Enjoy and, again, thanks to all who made this possible. It's been somewhat fun.

Best,
Mr. Braggall

The Calumet Girls' Tennis Team finished the 2010 season with a record of 4 wins and 11 losses. It was a huge improvement from the previous campaign where the Warrior Netters were 0 and 15. The season started way back on April 6th as the ladies traveled to Griffith and were beaten 4 to 1. Megan Moon at #3 Singles was the lone CHS winner. Then the Warrior Netters went on a tear. They won 3 in a row! Playing at the "beautiful" Calumet Tennis Center in front of their home crowd the girls beat Hammond High 5 - love, nipped Hammond Gavit 3 to 2 and barely beat Lake Station 3 to 2. In the latter 2 matches the Warrior Netters actually won fewer games than their opponents (45 to 50 and 47 to 50). This is extremely unusual in high school tennis, and especially unusual to do two days in a row. It shows great fighting spirit and is a mark of overachievement. Needless to say we didn't win another match as a team until the semi-finals of the sectionals. But we were very much more competitive than the previous season and had some individual success that we did not have the year before. We finished 6th in the Greater South Shore Conference and in the same position in the Conference Tournament.

Our individual success was mainly attained in singles. Senior Megan Moon won 11 matches at her #3 singles position. Margie Mahaffey finished 8 and 10 at #1 singles and went 4 and 2 in 6 tough three set matches. Margie was also named First Team All Conference and Megan was chosen as Honorable Mention All Conference. Senior Ashley Eriks played #2 singles. Her best match of the season was against River Forest where she avenged a loss in the conference tournament winning in 3 sets after losing the first set love-6. Ashley had 4 wins at #2 singles. In individual team awards Margie was MVP and Megan was "Most Productive." Seniors Abby Eddlemon and Jenea Sutton were a bright spot at #2 doubles. They won 4 matches including 3 in a row early in the season. The only underclassman on the team was Sophomore Lyndsey DiGiacomo. Lyndsey competed mostly at #1 Doubles with partners Karyce Shumpert and Abby Eddlemon. Shumpert played both doubles and singles. Filling in and earning Varsity letters were Seniors Chloe Greenwell and Patti Sales.

The JV team had the same record as the Varsity. Paige Raymond played some doubles but mainly singles. Courtney Cummings and Chloe Greenwell were probably our strongest JV doubles team and Patti Sales, Cierra Calloway, Stacy Bunting, Angele Schuld and last but not least Freshman Samantha Hammack-Byers rounded out the JV team. Next season we are going to have to do some "heavy" recruiting as we return only 5 players.

Finally, you cannot always measure success by wins and losses. This team, although they only won 4 matches in two seasons, was a very competitive team. They worked hard and tried hard in matches. We also had fun. This team did win the Lake Station Invite in 2009, a feat only accomplished 2 other times. The improvement that this team showed was immeasurable. As coach, I am as proud of this team's efforts and improvement as I am of any team that I have ever had the privilege to coach. - Coach Tauber

The speech's opener was a shout out to the students on everything that has been taken away from us (hoodies, flip flops, etc.). Senior Moments & Memories

My favorite high school memory would have to be Ms. Green's 3rd. Hour English class. The whole class was filled with seniors. A majority of my friends were in that class. There was never a dull day. Although I hated doing the work and reading Shakespeare stories that I didn't understand, I had a good experience. Laughing and making jokes with my friends is probably one of the things I'm going to miss the most. I can really say that I met some really great friends.
Ebony and Ivory, perfect harmony
-Sheldon Woods

I have so many senior memories, there's no way I could pick just one. Spending the whole day fighting Sheldon is for sure one of the best. I'll always remember flaming tennis balls and car crashes with honey mustard going everywhere. I couldn't forget almost dying of heat stroke in Mrs. Pathak's class or freezing in Mrs. Jones class. Trips to the beach and telling stories in art. I'll miss everyone so much. This has been the best 4 years ever. Ebony and Ivory, perfect harmony
-Courtney Cummings

TWO THOUSAND TEN

I have had a lot of great moments throughout my high school year. And it's way too hard to pick just one. But I will say that meeting and knowing many of the real people in my life, my honestly true friends, is one to top them all. I'm going to miss my high school days, but I know there is something great ahead of me afterwards!

-Marell Thomas

My best memory from high school isn't a particular moment but high school in general. I loved making new friends and going to parties. I also loved that I won class clown for the class of 2010! Woot! Woot!

-Jessa Musall

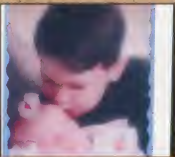

TWO THOUSAND

Senior Moments & Memories

I have so many great moments through high school that I don't even know where to start. I'm thankful that I met Jim Tucker; he has completely changed my life. My Senior Prom and trip to Turkey Run were amazing. Karaoke and line dancing at DC's, water fights while driving, a hat that a certain somebody can't remember, our last away tennis match to Whiting, making dance videos, and SURPRISE!! These are just a few great memories, and I wouldn't have any of them without my wonderful friends. I'll never forget them or my days at Calumet.

-Margie Mahaffey

Felicia: You were (are) a generous and beautiful child. You have grown into a generous and compassionate young lady. School has not always been easy for you, but you have always worked very hard and achieved everything that you set out to achieve. Your father and I could not be prouder than we are at this time. We will always be here for you no matter what happens in your life. We love you very much. Mom and Dad. (of Felicia Harper)

TWO THOUSAND TEN

One of the things I will never forget about high school is all the friends I made. I met people I will never forget.

-Alexzandra Chandler

You can't help but have lots of great senior moments when going to Calumet and being with all your friends. It's impossible to choose just one. I remember when Jennifer Steuart and I went to sign up for the National Guard and Abbey Oloyode walked by and said, "If you go, you will die." Then she just walked away. I remember our senior band trip when we locked Jeffrey Burley out on the patio in pitch black darkness and Mateo told him it was a camp out. Then I said, "It's a black out." We all laughed for like 10 minutes. I can't forget away tennis matches, jokes in Ms. Green's class, random singing, racism between friends in class and at the lunch table. Most importantly though, I can't forget friends. I've never met a group of people that can make me smile and laugh all day long. I'll never miss them.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.1 million (Office of National Statistics 1999).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to older people and the actions that will be taken to improve their lives. The strategy is based on the following principles: older people should be able to live independently and actively; older people should be able to participate in the life of their communities; older people should be able to live in the place of their choice; and older people should be able to live with dignity and respect. The strategy also sets out a number of specific actions that will be taken to improve the lives of older people, including: increasing the number of people who live in their own homes; increasing the number of people who are able to live independently; increasing the number of people who are able to participate in the life of their communities; and increasing the number of people who are able to live in the place of their choice.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1998 (Department of Health 1999). The number of people in the public sector who are employed in health care has increased by 1.2 million, from 1.3 million in 1980 to 2.5 million in 1998 (Department of Health 1999).

There is a growing emphasis on the need to improve the quality of health care, and this has led to a number of initiatives to improve the quality of health care. The Department of Health has set up a number of committees to monitor the quality of health care, and the National Patient Safety Agency (NPSA) has been set up to monitor and improve the safety of health care.
